KA Mogul Empire Immigration Agenda

KA Citizenship is a privilege. Because the basic principle ethic for The Kingdoms of Artiscia is Humanitarianism.

KA will build waiting or holding houses for persons desiring citizenship in their lands. Where they will receive information and application for citizenship. Information will include constitution, Queen's decree, laws, and other information to help transition the individuals before entering.

All persons entering KA lands will be under strict advisement and held to KA standards. Once transition period is complete and process is successful welcome into the land and privileges will be rewarded the individuals.

Upon successful completion, certificate of citizenship, employment opportunity, housing assistance and grant for civilian start up in proper community will be given to the new citizen.

During transition background information will be taken from each individual and based on the needs of the empire's lands the newcomer will be utilized as a human resource.
